

An illustration featuring two hands, one in a light pink color and the other in a slightly darker pink, shaking in a firm grip. The hands are set against a solid blue background. White, jagged, lightning-bolt-like lines radiate from the point of contact between the hands, suggesting energy or a spark. A thin, solid black horizontal line passes behind the hands. The text 'Tremor Tech' is written in a large, bold, white sans-serif font, centered over the hands.

Tremor Tech
